PRESIDENTIAL HARASSMENT!

9:12 AM · Mar 5, 2019 · [Twitter for iPhone](#)

Tired with all these, for rest from thee, I cry,  
For never has a leader heard such slander.  
O, even Lincoln, though he would soon die,  
Still watch'd a play that spoke no hate in candor.  
While Roosevelt by illness was made lame,  
No wicked wishes were on him bestow'd.  
And Kennedy was granted youthful fame,  
So when he died, in love's parade he rode.  
Did Reagan, when he stepp'd off of the screen,  
O'er Hinkley's gun, hear all these hurtful boos?  
And though Barack has by me mockéd been  
As Kenyan born, he bore not faker's news.  
It seemeth that no leader in the past  
Has been so PRESIDENTIALLY HARASS'D!

After having written many best selling books, and somewhat priding myself on my ability to write, it should be noted that the Fake News constantly likes to pore over my tweets looking for a mistake. I capitalize certain words only for emphasis, not b/c they should be capitalized!

So oft have I invoc'd for all my muse,  
To spread my knowledge of the dealer's art;  
My pen, worn dry from rampant overuse,  
Rewetted by the pourings of my heart.  
And recognition follows, verily,  
As storms that follow elemental peace.  
Self-pride, in skill extraordinarily  
Beyond the normal writer's, doth increase.  
Yet let me note a fascinating trend:  
That frauds in journalism may attest  
To errors typed that might my claims upend,  
And prove my writing well below the best.  
Let this be known, ye burners of false flame:  
Mistakes and emphases may be the same!

When I said that Hillary Clinton got schlonged by Obama, it meant got beaten badly. The media knows this. Often used word in politics!

It is a shame that the biased media is able to so incorrectly define a word for the public when they know that the definition is wrong. Sad!

How wrong and bias'd must they be, 'tis shame  
The media defineth words so wrong.  
When I of her defeat did state my claim,  
Erected I the fitting verb "to schlong."  
Yet here doth news deceive in denotation,  
And thus doth make the public heir to lies;  
When that word was my lips' ejaculation,  
I was not focus'd twixt a fellow's thighs.  
O, "schlong'd" is nothing of that sordid sort!  
And they know well I did not mean that meat;  
'Tis common politics to "schlong'd" retort  
When one is by opponent badly beat.  
They know the word, and so I them distrust.  
'Tis truly sad that they this meaning thrust!

Nothing funny about tired Saturday Night Live on Fake News NBC! Question is, how do the Networks get away with these total Republican hit jobs without retribution? Likewise for many other shows? Very unfair and should be looked into. This is the real Collusion!

Alack, what poverty the Muse brings forth;  
Last night, mine eyes did witness humor's death.  
Comedic lines with not Thalia's worth;  
Fatiguéd jokes from liars' jesters' breath;  
Where laughter from my lungs should be expell'd,  
Instead but questions come to trouble me:  
How can such jokes be told but unrebell'd?  
Should not such mocking jesters punish'd be?  
But Lo! 'tis true! these jesters are but few  
Of many who of me have jok'd unfair!  
O! how I wish to see them look'd into!  
Perhaps arrested for their jokes' foul air?  
That jesters can unpunish'd me abuse,  
Is crime more real than they of me accuse!
